Dear chess friends,

It is our great pleasure to announce that the Montenegro Chess Federation was informed by the European Chess Union with its Circular letter 5-2011 that we would host the European Youth Championship U-18 in 2013.

We take this opportunity to inform you that the rights and responsibilities related to the Championship have been passed from the Montenegro Chess Federation to the NVU 'Potez' from Niksic and Miodrag Prijovic as the representative of the company.

The rights and responsibilities are related to signing the contract with the European Chess Union, payment of deposit fee as well as other guarantees in connection with the organization, officials and financial relations.

In the future, the Montenegro Chess Federation will not be responsible for any financial issues related to the above-mentioned.

Looking forward to a successful cooperation and excellent organization of the event, I am sending you best regards.
